When our father started his company in 1956 he probably never imagined that PROTEAS would be recognized as a leader and innovator in the indoor design segment. Today we are one of the oldest fully-owned manufacturers of high end indoor furniture.

Our independence enables us to plan our own strategy in total freedom, cultivating our passion for beautiful and inspiring furniture.

We design timeless indoor pieces with care and love, creating places to relax, leave the daily stress behind and indulge in comfort.

We would like to thank all our partners and collaborators for all these years.

We wouldn't be where we are today without your commitment.
